

Academy of Management Annual Meeting 2018

Call for Applications - Paper Development Workshop on

“Strategy, Climate Change and the Energy Transition”

Sponsors: STR (primary), ONE, SIM, IM, TIM

When: Friday, Aug 10 2018 8:00AM - 11:00AM (at Swissôtel Chicago in Lucerne III)

Application deadline: *June 10, 2018*

The purpose of this paper development workshop is to support scholars to develop paper drafts on topics related to strategy, climate change and the coming energy transition into high-quality papers for submission to leading management and strategy journals. Following a panel of journal editors from top ranked journals that will highlight the expectations for successful publications, registered participants will receive reviews and feedback from accomplished scholars on their paper drafts in interactive small group sessions.
