

*8th International Conference in Corporate
Responsibility, Sustainability, Governance and Innovation
"Innovation shaping a sustainable future"*

ISAE Brazilian Business School and the **Professional Master in Governance and Sustainability** are pleased to announce the call for papers for the eighth **CR3+ Conference** in Corporate Responsibility, Sustainability, Governance and Innovation, to be held on 03-04 November 2020 on the theme '*Innovation shaping a sustainable future*'.

The conference will be held at ISAE Business School in Curitiba, Brazil.

We invite you to submit an extended abstract to one of the following tracks:

Track 01 Role of government in enabling sustainable business incubation

Track 02 Social innovation in the age of Sustainable Development Goals: Time to think more holistically?

TRACK 03 Innovation for Tackling Modern Slavery in Corporate Supply Chains

TRACK 04 Grassroots and Community Innovation for Sustainability

TRACK 05 Ageing management for a sustainable work Market

TRACK 06 Sustainable Development Education in the edge of the Anthropocene

TRACK 07 Fostering Responsible Innovation across National Business Systems and Industry Sectors

TRACK 08 Resilient Cities: Challenges and Possibilities

TRACK 09 Turning problems into solutions from the circular economy: sustainability and innovation in urban and rural environments

We have a tenth 'open track' for papers that do not fit in the above tracks but would fit in the main theme of the conference.

For more information about the tracks, please check the [CR3+ website](#).

More information about Special Issues related to the conference to be released below.

The conference will bring together experts from different countries to present their papers and talk about the main challenges to shape a sustainable future. CR3+ is a collaborative initiative of four PRME champions: Audencia Business School (France), Hanken School of Economics (Finland), ISAE FGV (Brazil) and La Trobe Business School (Australia). These champions have been working together since 2008, with the aim to

exchange ideas, pedagogical processes, curriculum and research in the area of corporative responsibility.
