

**Assistant, Associate or Senior Professor at KEDGE Business School,
Marseille or Bordeaux Campus**

KEDGE Business School is an international business school with an ambitious strategy to create and share transformative innovations for humanity. Based on its distinctive position as a school for leaders for the 21st century, our objective is to transcend the boundaries between higher education and business through innovation and to have a positive social, economic and environmental impact on society.

To meet these challenges, KEDGE is looking for an ambitious and entrepreneurial scholar in the wider field of Corporate Social Responsibility (CSR), Corporate Sustainability and Business Ethics, who shares our vision to translate academic excellence into impact for our students, companies and society.

This position is part of our further development of KEDGE Business School's Centre of Excellence CSR/Sustainability. The Centre of Excellence CSR/Sustainability is one of three Centres of Excellence of KEDGE Business School. Our researchers publish in both general management (e.g. Academy of Management, Review, Organization Studies) as well as specialized journals (e.g. Journal of Business Ethics, Ecological Economics). We consider our research the starting point for the impact we have on our students, business and society. Translating our research into impact for both the academic and business community is therefore at the heart of what we do. We are the academic home for a diverse and international faculty.

KEDGE Business School values innovation and entrepreneurship, both in research and pedagogy. We believe that technologies are changing society and humanity and that it is our responsibility to better understand their roles and effects, particularly with regard to how companies are doing business. Our future colleagues will join us on this journey.

Candidates will hold a PhD, demonstrate a sound research record with an active research programme signaling a high research potential, have excellent teaching capabilities and be willing to engage in innovative project supervision and development, as well as other service activities.

KEDGE Business School is a vibrant business school with 4 campuses in France (Paris, Bordeaux, Marseille, and Toulon), 3 abroad with 2 in China (Shanghai and Suzhou), 1 in Africa (Dakar) and 3 associated campuses (Avignon, Bastia, Bayonne). The KEDGE Business School community includes 12,600 students (25% foreign students), 183 full-time faculty members (44% of which are international), 275 international academic partners and 55,000 alumni across the world. With a portfolio of 32 programmes in management for students and executives, KEDGE Business School also

develops customised educational programmes for specific corporate needs worldwide and entertains strong links with the business community. Ranked 33rd amongst European Business Schools and 37th worldwide for the Executive MBA by the Financial Times, KEDGE Business School is AACSB, EQUIS and AMBA accredited and a member of the French Conférence des Grandes Écoles.

More information about KEDGE Business School is available at www.kedgebs.com

We will conduct preliminary, informal interviews with interested candidates at the EGOS Colloquium in Tallinn (July 4-7, 2018) and the Academy of Management Annual Conference in Chicago (August 10-14, 2018).

To schedule an interview, please email:

- a cover letter containing your motivation for one of the positions
- an up-to-date curriculum vitae
- a research statement
- a teaching statement

to Professor Frank Figge (frank.figge@kedgebs.com).
