# AOM 2018 Booth Schedule

## Power Hours

Come to the SAGE booth to learn about new texts and resources. Snacks will be served.

## Saturday – August 11

**11:00am – 12:00pm**

### SAGE Delivery: Pizza and Premium Videos

Enjoy classic Chicago-style deep dish pizza while watching a video demo! Come see the latest premium videos offered in our Interactive eBooks, learn how our original videos help engage your students, and hear about our upcoming plans for more business & management video content.

**4:00pm – 5:00pm**

### SAGE Beers, Bites, and Cases

Stop by the SAGE booth to enjoy some local Chicago craft beer and snacks and check out our peer-reviewed case collection developed specifically for the academic library. *All attendees will be entered into a raffle for a \$200 Amazon gift card.*

## Sunday – August 12

**11:30am – 12:30pm**

### Journals Spotlight: *Organization Studies* and *California Management Review*

We are proud to publish these highly respected and influential journals. Pick up a free sample copy and browse our e-Library. Editorial teams will be available to answer questions about submitting your research and learning more about the journals. Biscotti, yogurt, and coffee will be served.

**4:00pm – 5:00pm**

### Café SAGE: Hot Jazz and Cool Thinking

Join Tom Chatfield, author of SAGE's *Critical Thinking: Your Guide to Effective Argument, Successful Analysis and Independent Study*, as he combines his love of jazz piano and his expertise in critical thinking while enjoying snacks and a cocktail.

## AOM 2018 SAGE Publishing Events

**Friday – August 10**

**6:00pm - 8:00pm**

**SAGE Booth**

**Social Impact Fundraiser**

Help SAGE make an impact and join us for an in-booth fundraiser to kick off the AOM 2018 theme of Improving Lives. We will donate money for every badge we scan and also give away Chicago's favorite snack – Garrett's popcorn!

**Monday – August 13**

**9:00am - 12:00pm**

**Regal Room of the Fairmont Chicago Millennium Park**

**Better Thinking, Better Managers: Critical Thinking in the Management Classroom**

What is critical thinking? If it's so critical, why is it so rare? How can we make sure our students start to think critically? Join SAGE authors Tom Chatfield (*Critical Thinking*) and Janet Salmons (*Doing Qualitative Research Online*) for a panel discussion and small group workshops on learning and applying critical thinking in the 21<sup>st</sup> century. Breakfast will be served and copies of the author's books will be raffled.
